Would any other ladies like to meet for a morning Bible study?

Yes, I would be delighted to join you in a woman's bible study if the offer is still up. :D

In which area of Weatherly do you live? It has been some time since I first posted, but I would still like to discuss the possibility of a few neighbors getting together in fellowship and Bible study. Do you go to church locally?

I live in Glen Abbey and have started work since I wrote the post in May, but would still like to see if we could form a fellowship group. I am tied up this week, but maybe we could meet for coffee next week. We go to Briarwood Presbyterian. I'll be in touch next week...watch the public forum. And...any of you other ladies that would like to join us one morning, please make a post.

Coffee would be great. Just post in the public forum whenever you're free. I am pretty busy lately but I really hope I can set aside some time to meet with you. Could I get your name? I'm Kelly, my husband's name is Matthew. I look forward to meeting you. Have a blessed week.
